## The "Boss" Picnic.

The best picnic of the season will be given at Treadway's park, at Carson, on Saturday, by the Miners' Union. The Enterprise asserts that the miners are sparing no pains or expense in arranging for it. A sufficient number of cars will be provided to carry all who desire to attend. All manner of matches, games and sports will take place on the picnic grounds, and for excellence in these matches and games numerous and valuable prizes will be awarded. Not a prize is offered that is not well worth striving for. Those who are fond of dancing will be able to enjoy themselves to the full at the pavilion, and will have the best music in the country as inspiration. The mining Superintendents have consented that all their men who desire to do so shall go, provided they are again on hand in good shape after the fun is over. The indications are that the weather will be fine, and undoubtedly all who attend this picnic will have a jolly good time.

## The Figures.

Perkins is elected Governor by 15,000 plurality. The entire Republican State ticket is also elected. The Legislature is also Republican.

Kalloch is Mayor of San Francisco. Page and Pacheco are certainly elected to Congress, and possibly the other two Republicans.

## A Mill Burned.

The mill of the Pacific Wood and Lumber Company at Clinton was burned yesterday morning. The lumber yards were barely saved. The loss is unknown. There is some insurance. The company commenced rebuilding yesterday.

## Stocks.

The stock market opened strong yesterday, due to the fact that confidence was restored, because of the result of the election. Union touched 62 and Sierra Nevada 43. The good time coming will soon be here, we hope.

There will be a meeting of Reno Lodge No. 13 F. & A. M. Saturday night.

Everybody is interested in the California election. Several wagers were made yesterday.

The second story of the Sunderland and Winchell & Cunningham new brick is almost done.
